About US

At Adroit Corporation, we specialize in guiding entrepreneurs, startups, and established businesses through the complexities of Project Finance, Government Subsidies, and Business Expansion. Headquartered in Rajkot, Gujarat, and with over 13 years of industry experience, we've proudly supported 1000+ clients across 250+ sectors, delivering tailored financial solutions with a success ratio of 98.5% in loan disbursement and 99.2% in subsidy claims.

Our core expertise lies in preparing bank-ready project reports, securing term loans, and helping businesses unlock eligible state and central government incentives. From manufacturing units, healthcare, tourism, and logistics projects to biotech, renewable energy, and startup ventures, we ensure every project receives the strategic and financial backing it deserves.

With a dedicated team of professionals and a deep understanding of banking systems and policy frameworks, we go beyond consultation - we become your growth partner. Our mantra is to Think, Start, and Grow with every client engagement.

Our Mission

At Adroit Corporation, our mission is to empower people, organizations, and MSMEs across India by providing high-quality, knowledge-based services related to fundraising, project finance, and government subsidy schemes. We aim to create awareness about available funding options and assist clients in raising the necessary capital while helping them unlock eligible incentives to ensure their projects succeed.

Our Vision

We aspire to become India's leading advisory firm for fund raising and subsidy consultancy. Our vision is to be a trusted and insightful partner to MSMEs by offering accurate, strategic guidance and delivering tangible financial benefits across every corner of the country. We aim to influence policy-making processes, contributing to the creation of effective policies for various industries through our deep domain knowledge and industry experience.
